INVITATION FOR PUBLIC COMMENT

Public Environment Report (PER) for Hunter Valley Operations (HVO) South Open Cut Coal Continuation Project | EPBC No. 2025/10176

The following notice is published pursuant to Section 98(1)(c) of the Commonwealth Environment Protection and Biodiversity Conservation Act 1999 (EPBC Act).

Hunter Valley Operations (HVO) is an existing multi-pit open cut mining complex, comprising two mine sites separated by the Hunter River – HVO South and HVO North. HVO is located at Lemington Road, Liddell, approximately 24 km north-west of Singleton in the Hunter Valley of NSW. Under existing approvals, mining is currently approved at HVO South and HVO North until March 2030 and December 2026, respectively. HV Operations Pty Ltd (HV Operations) proposes to continue mining at HVO South until the end of 2042 and has made a referral under the EPBC Act (EPBC No. 2025/10176) seeking approval for this proposed action. The continuation of mining will increase resource recovery from the existing operation, predominantly by mining through previously mined areas.

HV Operations has made a separate referral under the EPBC Act (EPBC No. 2025/10177) to continue mining at HVO North until the end of 2045.

HVO South has been determined to be a controlled action requiring assessment by Public Environment Report (PER). The controlling provisions under the EPBC Act are listed threatened species and communities (section 18 and section 18A) and a water resource, in relation to unconventional gas development and large coal mining development (sections 24D and 24E).

The draft PER for HVO South will be on display at no cost in hard copy for public comment for 30 business days from **5 May 2026 to 17 June 2026** at the following locations:

- Singleton Library – 8-10 Queen Street, Singleton
- Muswellbrook Library – 126 Bridge Street, Muswellbrook
- State Library of NSW – 1 Shakespeare Place, Sydney

The draft PER can also be viewed or downloaded on the HVO's website at www.hvo.com.au.

Persons with special needs (e.g. those for whom English is a second language or with a vision impairment) or who require assistance to access the draft PER should contact Jason Martin on **1800 888 733**.

Interested persons and organisations are invited to comment in writing on the draft PER for HVO South via:

Email: continuationproject@hvo.com.au

Post: Hunter Valley Operations (Attn: E&C Manager)
PO Box 315, Singleton NSW 2330

Comments must be received by **5.00 pm AEDT on 17 June 2026**.

For more information please contact HV Operations on 1800 888 733 or email continuationproject@hvo.com.au
